TMSS ENGINEERING COLLEGE
Quality education at affordable cost

First Non-Govt. Engineering College at Bogra.
Affiliated By Rajshahi University.

COURSE Offered
- B.Sc In Civil Engineering.
- B.Sc In Electrical & Electronics Engineering.
- B.Sc In Computer Science & Engineering.
- B.Sc In Textile Engineering.

Admission Going On

Thengamara, Gokul, Bogra-5800.
Mobile: 01713-377047, 01713-377336

BACKGROUND

TMSS is established in the year 1980 as a Non-Government Development Organization with non-profit nature. Its aim is family development through women empowerment and objective is to develop the socio-economic condition of poorest of the poor specially the women & poor people by implementation of grassroots decision and utilizing human & material resources. TMSS gives highest priority and importance to Human Resource Development through creating access to Education & Training, Quality Health care service delivery at affordable cost, creating opportunities & access to finance & economical (IGA) activities, Human Rights establishment and environmental improvement with people coping capacity development. According to the constitutional commitment TMSS has already established 28 Educational Institutes (General/Medical/ Technical) for the meritorious students of Bangladesh & abroad. Recently TMSS has established TMSS Engineering College to enhance the opportunities for more meritorious student’s in the field of Engineering.

A BRIEF INTRODUCTION OF TEC

TMSS Engineering College (TEC) is established at Joypurpara in Bogra City in 2015 upon on area of 10 acres of own land in a secluded calm and peaceful environment-ideal for education by TMSS. It follows liberal arts approach to education which nurtures ideas and gives new activity in the field of engineering education to meet the requirement of the contemporary world and times. TEC hopes to imbue and imbibe new & modern engineering technology by instilling in its students to equip them for working towards the development and progress of man kind and as well towards national improvements. TEC is affiliated by Rajshahi University. TEC shall contribute its effort far build up graduate professionals in the field of Civil, Electrical & Electronics, Textile and Computer Science Engineering.

GOAL/AIM

Establishment of TEC as center of excellence for developing professionals.

GRAND TOTAL: 3,46,500/- + Rajshahi University Examination Fees (As per University Rules)

ACADEMIC REQUIREMENTS

Passed in 2007 or subsequent year in SSC/Equivalent and passed in 2009 or subsequent year in HSC/Equivalent (With Physics, Chemistry and Mathematics) /Diploma in Engineering exam, can apply in prescribed forms for admission. SSC/Equivalent and HSC/Equivalent/Diploma in engineering minimum marks obtained in both exams, must be G.P.A 3.00 and total G.P.A must be 6.00. In case of Diploma Engineering the scale of 4.00 to be multiplied by 1.25, the scale is to be 5.00. Apply online at- www.tec.edu.bd and download admission form or help desk at college campus.

DISTINCT FEATURES OF TEC

- Rich library with access to journals.
- Career advising, guidance and Job placements.
- Class rooms equipped with standard Furniture's, Fixtures, Equipments, 24 hours Electricity & Water Supply, Multi-media facilities.
- Teachers & students friendly peaceful learning Environment.
- Cultural activities and sports event are organized in regular manner by the participation of the student for their human quality, mental & physical development.
- Special learning system for humanitarian development and abroad exposer learning is mandatory.
- Hostel for male & female students.
- Unique English language program for all students.
- Regular Co-curricular program, cultural events & intellectual exploration.
- Home and abroad job linkage.
- Access to TMSS facilities and programs all over Bangladesh.
- Good Communication Facilities.
- Organic products using catering in the canteen.
- Transports are available for the students.
- Secured & Wi-Fi Campus.
- Practical scope for education available.
- Politics & Session jam free College.

FINANCIAL BENEFITS

Tuition waivers and scholarship are available in different categories. TEC fund is available for financially disadvantaged & meritorious students. Special waiver with prerogative intervention by authorities & life members of TMSS. Special waiver quota for freedom fighters. Availability of TMSS soft loan for education.
OBJECTIVE
To provide excellent broad-based education to the students with focus on professional developments in the field of Engineering with profound knowledge & skills necessary for leading the country in its quest for development field of Engineering and various information Technology (IT).

MISSION
TEC provides its best efforts to develop human resources in the field of Engineering to meet the ever changing needs of the country and of the world by adopting specified academic curriculums and applying modern, scientific teaching and learning methods by maintaining proper educational environment.

VISION
Graduated students of TEC contributes their acquired various technological knowledge and skill effectively in the National and Global developments.

INSTITUTIONAL IDENTITY
The TMSS Engineering College (TEC) will be a comprehensive Private B.Sc Engineering College. In addition to offering excellent academic programs, the College expects to continue to be an integral component of ongoing economic and social development initiatives in the country. TEC will have an excellent faculty consisting of scholars, dedicated staff and a supportive environment for students.
